Norris-Leonard Wedding.

At two o'clock on Wednesday afternoon, July 8th, an exceedingly pretty home wedding took place at the residence of Mr. and Mrs. I. N. Leonard on Downing avenue, when their eldest daughter Miss Ella was given in marriage to the Hon. G. W. Norris of Nebraska.

Intimate friends and neighbors to the number of thirty witnessed the simple but impressive ceremony as performed by Rev. I. Harvey Hazel of San Jose.

The bride was charming in a cream colored etamine, and as she entered the prettily decorated parlors on the arm of the groom, Miss Waite of Campbell, rendered Mendelssohn's wedding march softly on the organ.

An hour later and after an elaborate luncheon had been enjoyed by the guests, Mrs. Norris donned a becoming traveling suit of purple cloth, and the happy couple left amid a shower of rice for a few days' stay at Del Monte.

Upon their return they will leave almost immediately for Wisconsin to enjoy several weeks at the summer home of Mr. Norris on the shores of beautiful Lake Wapaca. The fall will find them in McCook, Nebraska, where a wide circle of friends will extend to them a cordial welcome home.

Formerly Miss Leonard served successfully as principal of one of the McCook public schools, while Mr. Norris served his district in the capacity of judge for a number of years. So well pleased were the people with Mr. Norris' judgeship, that, preceding the last election, he was prevailed upon to enter the race for congress, thereby to serve the constituents in a larger and perhaps more useful sphere. The result of a memorable and one of the most spirited campaigns which stirred the middle west is that the groom was elected congressman from Fifth congressional district of Nebraska.

His record is one that speaks in no uncertain terms of his strength of character and manliness. Mrs. Norris possesses a striking personality and has by her many womanly graces made a host of friends during her year's stay in California, who will regret her departure.

Notable among the guests present were Messrs. J. M. Pipp and J. C. Bozarth, who, despite their advanced years, being eighty-one and seventy-six, respectively, possess hearts singularly young.

No announcements were issued.—San Jose Sunday Mercury and Herald, July 12th, 1903.

A. M. Wilson Severely Injured.

A. M. Wilson of the McCook electric light plant sustained severe injuries, last Saturday evening early, by falling from a pole. He had just completed making some repairs to the incandescent street light at corner of the Methodist church and was descending the pole to the ground, when one of his climbers failed to hold in the rotten or soft pole. He fell backwards to the ground a distance of about six feet. His right arm was broken just above the wrist and the left hand and wrist were badly jammed up. His injuries are painful and severe, but so far he is progressing favorably toward recovery.
